**\$1 Hand-Embroidered Lingerie \$1**  
 Made to the Special Order of the Palais Royal.

There's much satisfaction in collecting and distributing this lingerie—it means work given to many deserving of help, but likely to fail if left to the hurly burly of commercial life. The price can be made as little as \$1.00 for this Hand-embroidered Lingerie—because the longcloth and nain-sook are cut out and sewed by machinery. The Envelope Chemise and Gown, exactly as pictured, will be here tomorrow, with many others, at only \$1.00 for choice. Third Floor.

The sateen used is of a very durable quality—and the petticoats are specially priced at \$1 each.
